

We would highly recommend that you avoid trying to park in the Princess Royal Hospital Pay & Display carpark (especially during weekdays). The Sainsburys Pay & Display carpark near the hospital has a max 2 hour stay.

The best solution is to park in the adjacent residential suburb on Broadwater Gardens. It is a pleasant 15 min walk to the Education Centre and you will arrive at the course feeling much calmer than if you have spent an hour trying to get a space in the hospital carpark.
